Our Philosophy

MonSalwa is driven by the belief that food should be artfully prepared, wholesome and safe. We attend to every little detail with the same care as you would in your own kitchen to ensure that you and your loved ones get safe food that taste amazing, conveniently, anytime you desire.

Our History

MonSalwa was established by the Sanaullah Group of Companies. The company has roots in Pakistan's early days, when the spirit of private enterprise and business innovation was widespread.

Our People

Here at **MonSalwa**, we believe in the power of individual acts. But more importantly, we believe in the power of teams. We firmly believe in the power of collaboration, and every day our employees are busy collaborating across the entire spectrum of our business operations.

Our Facility

At **MonSalwa**, we believe in bringing great tasting food that's convenient as well to you. But this great tasting food should never compromise on the health and safety of our greatest stake holders i.e., our consumers.

This is why we follow numerous protocols to ensure that what you see on your kitchen table is the safest and most hygienic product possible. Our facilities are audited by BRC on an annual basis to ensure proper sanitation and hygiene.
